TIUTA WINS TITLE OF BEST BRIDGING FINANCE PROVIDER 2009

Tiuta, one of the UK's leading bridging loan companies, has beaten off stiff competition to win the 2009 title of 'Best Bridging Finance Provider' announced at last week's Business Moneyfacts Group Awards.

The highly acclaimed annual awards are presented for product excellence and outstanding service. Each award was independently assessed by an experienced research team on the basis of data collected and analysed over the year, or voted for by IFA readers.

Over 300 industry professionals from the leading financial institutions and industry bodies gathered at the special awards dinner hosted by Sandi Toksvig, author and broadcaster.

Gary Booth, CEO at Tiuta, said: "We are thrilled to have been recognised by these prestigious business awards. We strive to provide the best service possible to our clients, so to come out 'top of the class' is something I think we can be very proud of."

Lee Tillcock, editor of Business Moneyfacts, said: "This widely anticipated and well supported event celebrated the best products and service in the business and commercial finance world, showcasing those providers and brokers that continue to support the business sector at a time when its success and growth has never been more important

"As with previous recessionary periods, it will be SMEs that lead an economic recovery through innovation and determination. With that in mind we have been greatly impressed with the level of commitment shown and upbeat comments given by service providers and brokers."

The winners of the 2009 Business Moneyfacts Awards were announced on 26 March 2009 at London Marriott Grosvenor Square.
